
2018 MOTORCYCLING QUEENSLAND

Talented Rider Identification Program

University of Queensland, St. Lucia
Monday 10th – Friday 14th December 2018

The 2018 Talented Rider Identification Program (TRIP) is an opportunity for Motorcycling Queensland (MQ) to facilitate a live-in style camp that provides our up and coming elite riders aged 16 – 20 years, with exposure to programs and information which it is hoped will assist them in fulfilling their potential.

This Program is an opportunity to recognise and nurture Queensland's elite young riders irrespective of their chosen discipline.

The Program will be held at the internationally renowned University of Queensland, St. Lucia, Kings College campus. More information regarding University of Queensland 'Sport Facilities & Services' is available from their website located at <http://www.uqsport.com.au>

The 5-day Program focuses exclusively on off-the-bike skills, and covers such topics as Nutrition, Sports Psychology, Strength & Conditioning, individual Athlete Assessments, developing & maintaining Training Programs, Media and Communication skills, and much more.

Riders & Eligibility

The TRIP will cater for a maximum of 16 riders aged 16 - 20 years (at the time of the Camp), and will be coordinated by the Motorcycling Queensland Sport Development Sub-Committee.

Nominations to attend this Camp will be accepted from any Queensland licenced rider from any riding discipline. The type of rider, however, for whom this Camp is primarily aimed at, and who will consequently be selected, is any rider who can show that they have the potential and desire to go 'all the way'.

The Motorcycling Queensland Sport Development Sub-Committee are responsible for facilitating this Camp, and they have identified a number of goals that they hope to achieve with the running of this Camp, including the development of National & World Champions – so please only register if you have the commitment and dedication to go all the way!

This Information Package and attached Nomination Form is relevant for 'First-Time' attendees and those wishing to register as a 'Refresher' attendee (ie have attended previously).

Female attendees:

Motorcycling Queensland encourages female riders to nominate to attend the Camp as we have allocated 2 positions for females at a minimum.

Where female riders are selected to attend the Camp, an appropriately qualified 'Female Chaperone' will be sourced to act as a mentor / guardian for the female riders in attendance at the Camp.

Closing Date:

All riders intending on submitting a nomination to attend the Camp must complete and submit the official Nomination Form by **Monday 12th November 2018**.

Coaches / Facilitators:

The TRIP is facilitated by the MQ Sport Development Sub-Committee, and will be presented by Mr. Rodney Jenner (Level 2 Coach, and Presenter of the Motorcycling Australia Level 1 and Level 2 Coaching Courses), Mr. Chris Urquhart (Level 2 Coach) and Mrs. Jemma Wilson (Level 2 Coach). Jemma will also fill the role of 'Female Chaperone' for any female riders who are selected to attend.

All MQ Presenters are compliant with the Children Commission & Young People & Child Guardian – Blue Card procedure.

The 5-day Program also utilises expert lecturers from particular fields, as well as other special guests.

The Camp:

The TRIP will be 5 days of intensive learning for any rider who is successful in nominating.

Each day will be structured around athletic testing and lectures on key topics. Leisure time will also be incorporated into the program, along with cross-training exercises and some group tours. Full course programs will be distributed to successful applicants with letters of acceptance.

Topics that will be presented include: drugs in sport, physical testing, sports psychology, nutrition, individual athlete assessments, developing and maintaining a training diary, media training, introduction to weight training, obtaining sponsorship and much more.

Cost:

There is a one off nominal fee of **\$650** for any applicant accepted into attending the 2018 Motorcycling Queensland **Talented Rider Identification Program**.

Please **do not** send this fee with your application. Successful riders will be sent an 'Acceptance Pack' which will include an invoice for the **\$650**.

Once successful riders have been invoiced, payment must be received within 7 days of the date of that invoice. Riders invited to attend the Program who do not pay the required amount within this timeframe, may forfeit their place at the Camp.

Inclusive in cost:

The \$650 nomination fee will cover all costs, including return airfares (for attendees living more than 300kms from Brisbane), accommodation, food, airport transfers, all course resources and presentations, camp excursions, etc.

Riders that are accepted into the program will receive Motorcycling QLD merchandise and apparel.

Riders who live within a 300km radius of the University of Queensland, St. Lucia campus will be expected to make their own way to and from the venue. Motorcycling Queensland will provide assistance with co-ordinating travel arrangements and will consider requests for reimbursement for persons needing to engage other forms of public transport to assist with transportation too and from the Camp.

Onsite, secure parking is available to those that drive themselves to the Camp.
