- PIT AREA** Please note that parking in the sponsored pit sites is strictly forbidden unless you are the owner of that pit site. If you are unsure of your correct location, please ask before setting up. Please note that it is a requirement for enclosed footwear to be worn at all times in the pit area.
- CAMPING** - Camping on Friday and Saturday night is permitted. Hot Showers are available. Please keep the facilities clean. Anyone found vandalising any of the club's property will be penalised. A \$10 Camping Fee will apply and can be paid at the entry gate.
  - All generators and music must be turned off by 10:00pm. Children under 16 must be at their own camp by 8:30pm.
  - Please keep noise to a minimum for the quiet enjoyment of all campers.
  - Small fires are permitted but must be contained in a drum or similar and must be cleaned up by each camper upon leaving. Strictly no open fires.
- SIGN ON** - Competitors will be required to present their Competition Licence & Logbook (in the case of Juniors), to the sign on personnel. Please make sure your endorsement is up to date. Programs and hired transponders will be issued at this stage. Any issues with entries not yet finalised will be done so here by the Race Secretary.
- SCRUTINEERING** - Will be held behind the race gates. Please enter through the marshalling area. Machines, helmet, back numbers, boots, body armour (for Juniors) and any spare machines must be presented for scrutineering. BACK NUMBERS ARE MANDATORY FOR ALL CLASSES. All bike numbers must be clear and be consistent with MOMS 12.15. For all parent's and support persons, please remember that enclosed footwear must be worn at scrutineering.
- TRANSPONDERS** – Competitors hiring transponders will be required to exchange their MA licence. If you have your own transponder please ensure it is registered, fully charged and activated. You will need a bracket – these can be purchased at sign on for \$10. Please see sup regs for details of transponder hire terms etc. The transponder must be fitted for practice and all races. The transponder must be returned at the end of the race day to the timing tent. Provisional Results will be displayed at the timing tent throughout the day which will be located near the track entry point. Should you have any queries on your results during the day, please see the Race Secretary immediately. Please do not wait until the end of day or day after to raise queries.
- TEAR OFFS** – Tear Offs will be permitted to be used. It is a requirement that any tear offs removed in the pit areas are immediately placed in rubbish bins. At the finalisation of race day, it is encouraged that kids walk the track and collect any tear offs. Kids will be rewarded with a small treat such as a Zooper Dooper or Lollipop. Please note however, that no persons are allowed on the track if machinery is present. Please ensure you listen for instructions on when to enter the track. Failure to ensure all tear offs are removed from the track, pits and surrounding areas would be a breach of our Environmental Plan and may mean that the decision to run tear off's in the future would be reversed.
- RIDERS BRIEFING** - Will be held at the grandstand. The first practice group is requested to bring their bikes to the marshalling area as Practice will commence as soon as briefing is completed. All riders and their guardians for juniors must attend Riders Briefing. A role call WILL be done with Penalties for riders not there at the start of the Briefing. ROLL CALL WILL BE AT 7.45am.
- GUARDIANSHIP FORMS** - If any rider under 18 years of age is attending without their parent or legal guardian they must provide a completed Temporary Guardianship Form to the Race Secretary before entering the track.

Please listen at riders briefing for special instructions as our Demonstration riders do run a shortened track. Please spread yourselves around the track to help **all** demo riders. Whilst we appreciate the enthusiasm of parents, we request that parent's refrain from yelling, clapping, etc as this can be distracting for the riders and can lead to accidents. Please remember that this is a demonstration class only and not a race class. There are no placings.

27. **FUN FEATURE RACE** – The first 30 riders to line up in the marshalling area behind the start gate area are eligible to participate in a FUN FEATURE RACE. Each class will get a turn over the series. This weekend it is 65cc 7-12 years (all classes and grades) on Saturday and Mini Lites 12-15 (all grades) on Sunday. This is not compulsory and is for fun only and points are not awarded towards round or series points.
