

Request for 2019 date to conduct: Open & Zone events (including Series)

Please complete and return page 2 of this form if you would like to submit a request for a 2019 date for consideration to conduct an Open or Zone meeting or Series.

Please use multiple forms if insufficient space is provided and return this completed form to operations@mqlld.org.au by **Friday 19th October 2018**.

All due consideration will be given to allocating clubs, promoters and subcommittees their preferred event date, mindful that there is a date / event hierarchy which also involves MA's national dates (which are generally at the top of this hierarchy).

For MQ's purposes, the following will apply in constructing the 2019 events calendar.

MQ schedule to call for and receive 2019 date requests:

Date	Activity
Wednesday 26th September 2018	Distribution of: Request for 2019 Open / Zone meetings and/or Series
Friday 19th October 2018	Due date for 2019 Open / Zone meetings and/or Series
Friday 26th October 2018	Due date for 2019 Interclub meetings

Clubs, promoters and subcommittees submitting date requests must be currently affiliated with Motorcycling Queensland.

Other events & activities requiring date consideration include: Officials Training Seminars and Coaching Courses – these dates will be set internally by Motorcycling Queensland.

A reminder that as of the 1st of January 2019 all Motorcycling Queensland events will be managed and administered through the Ridernet events module.
