

Explanation of Types of Coaching Licences

Club Coach Accreditation

“Club coach” is the initial accreditation that is issued after a participant successfully attends a Level 1 Motorcycle Sport Coaching Course and fulfil the following:

- ✓ Completes the Australian Sports Commission Community Coaching General Principles program online, www.ausport.gov.au – **pre course**
- ✓ **OR** Attend the Theory Day of the Level 1 Coaching course

Then, in the 12 months after doing the course, they must log 20 hours of practical motorcycle coaching, either doing Kickstart Assessments or working with/assisting an accredited L1 or L2 coach so that they can then apply for a Level 1 accreditation upgrade.
