2	<p>General Business:</p> <ol style="list-style-type: none"> 1. The committee discussed My Laps. We feel as a committee that if it is pushed on the CQMX series the series will fold. As this will make it a Level 3 event and we do not have level 3 officials on 2 at the present time. And the extra cost to clubs and riders will be too expensive; as the QAS costs are high and we take \$10 from nominations to help clubs cover them. 2. Can MQ please send out our bank statements as we have not been receiving them? 3. Can the Steward reports from each of the CQMX Series be sent to the committee as we have not been receiving them? 4. Can MQ advise, if a cheque has been sent from Dysart for the CQ monies, as they did not have a cheque for the Steward. 5. More official planning is required, as we need to keep new officials coming through. 6. It was noted that Shona Eden, was asked to assist the ambulance at Dysart as they could only get one Ambulance officer for the meeting, Shona is a RN, and was willing to help out. 7. Suspended riders list needs to be updated more regularly, as there are a lot of riders on there that are not even racing anymore? 8. For 2015 CQMX series we would like to see nominations being able to be emailed to club secretaries and Direct debits to club accounts. We shall have this added to our criteria for holding a round of the series. 	
Meeting Closed: 9.15pm		Next Meeting: 20 th July 2014
