4	<p>Ben Schodel has expressed an interest (verbally) in being on the subcommittee.</p>				<b>Brain Cordwell</b>
5	<p>There were some complaints with regards to combining classes in the SEQ, to make up time, we may need to look at the not having senior classes as they were not well supported {just a thought at this stage}. We thought that maybe we should keep the vets as the numbers were ok as some of the parents of riders may have been riding in this event? Just suggestions for next year's series.</p>				
6	<p>Grading:- Sean Burr to go to B grade. Riding number 298.</p>				<b>MQ Office</b>
7	<p>Brain C informed us that Rob Ferguson was looking into the Development Funds and the structure for this fund. Still waiting on info from this?</p> <p>The committee voted unanimously on Hunter Lawrence for Junior Achiever for 2015.</p> <p>John S gave us a report on the Junior Nationals at Perth, and how he is still in confrontation with the officials over there with regards to points that Chelsea Carter never received and if she had of we would have won the cup?</p> <p>Can the MQ office please distribute application to all relevant subcommittees to make application to the 2016 Junior Development Fund.</p> <p>JA suggested the Junior subcommittee submit an application under this program to conduct coaching at the Track in SA for the junior nationals for 2016.</p>				<b>KR @ MQ</b>
