8.0 General Business

8.1 Andrew Carpenter is standing down as a subcommittee member and President. MH offered to take on the role as President. GW moved that MH be voted in as President, JR seconded.

8.2 Jeff Richards also asked to stand down but only after we have another Subcommittee member to take his place. JR also offered to pay \$500.00 for the QMTS Trophies this year as sponsorship from Stanfield Automatics.

8.3 The date for CQTC Twinshock and Classic Trial at Lowmead has been moved to the 18th of May replacing a CQTC club day.

8.4 MH brought up the subject of on the last page of the WTC Australian round in 2012 program the FIM listed non affiliated clubs on the back page. We think this should

not be as they are non affiliated clubs and as such should not be advertised on official MA and FIM literature. MH moved and JR seconded this motion.

- 8.5 AC brought up the subject of some different markings on the Intro class number plates as it is rather confusing for observers to work out what line the riders are using. It was decided to try a Red dot on the white plates for Introductory riders to distinguish between them and the Clubman riders. WDTC will try this at the first round of the QMTS on the 16th of March. The stickers will be put on the numberplates at scrutineering by the scrutineers.
- 8.6 MH will handle the application for the MQ Junior Development fund on behalf of the Sub Committee.
