4.0 Business Arising

4.1 Discussed the situation whereby unaffiliated clubs were being promoted on the World Trial Championship program. This has been brought to MA's attention.

4.2 Jeff Richards has re-joined the Subcommittee until someone else can be found to replace him.

4.3 Andrew Carpenters 5 years of service in the Subcommittee – letter of thanks to be sent. MC to action.

4.4 Red dot idea on Intro plates. This being a red dot on the Intro class riders number plates. This being to make the observers job easier so they know which line the riders are using. GW to approach Race Secretary for LRMTTC to ask them if they could trial this initiative at their next event.

5.0 Correspondence

5.1 Inwards:

Bank statement from MQ for the Sub Committee.

5.2 The vote on a Pre Masters Class for Australian and State Titles. We decided that we would not favour this one as it would only make more expense and hassle for the Clubs holding the titles. In the QLD State Titles we have B, C, Clubman and Intro support classes anyway.
