3.0 Shell Advance Sunshine State MX Series update

The meeting was called specifically to address the washed-out round of the Shell Advance Sunshine State MX Series which was scheduled to be held at Coolum on 2/3 May 2015.

The following will apply:

*This round will be re-scheduled to take place on the weekend 4/5 July at Coolum, this will now be Rd6 (final) round of the Series;

*No entries from the 'washed-out' round (Coolum, 2/3 May) will be transferable to any other round, including the new Coolum date;

*All entries from the 'washed-out' round (Coolum, 2/3 May) will be refunded directly by nominate, minus a \$10 per bike administration fee – **please be patient, these refunds may take a couple of days to be processed**. The \$10 administration fee has to be applied due to services undertaken and paid for in the lead-up to this round;

*Please note the 2015 Shell Advance Sunshine State Supplementary Regulations allows for a \$25 administration fee to be withheld. The MX subcommittee anticipates that all competitors will understand that we have attempted to 'meet riders half way' with the application of this fee;

*Changes and updates will be made to the Supplementary Regulations and the new round will be posted on nominate asap;

*Entries, without a late fee, for this weekend's Kilcoy round of the Series will remain open up until midday Thursday 7th May. Anyone who has already incurred a late fee for Kilcoy will be reimbursed this fee directly by nominate – again, **please be patient this may take a couple of days to be processed**.

3.1 John Walker will not be available on 4/5 July to fulfil Series Clerk of Course duties. Andy Walmsley will fill role, Andy requests that there are assistants available also.

3.2 Robbie Marshall and Rachelle Houterman to provide information (by email) to MX subcommittee re: time spent working on Coolum round, and therefore anticipated expectations re: payment.

3.3 A cost will already have been incurred for production of Programs (estimate \$1,000).
