5.0 Response to Speedway Commission minutes

SW761: where the commission has agreed introduce this rule for seniors and Junior 250's. We believe this should be across the board for classes and ages, as the argument we will receive from competitors and parents, "why can they do it & not the kids"

SW763: should also add f) Not applicable at championship events.

6.0 State Championships

The selection of venues to host the 2014 State Championship will be decided at the next committee meeting in 2 weeks time

7.0 Next meeting – TBA.

8.0 Close: 9pm
