(on conclusion of MQ's Face to Face meeting)**

2.0 Previous Minutes – 7th May 2014
Moved: PD, seconded: JD – Approved.

3.0 General business:

3.1 Round one of the 2015 QLD supermoto championships will be held in SE QLD, either at Gold Coast or Toowoomba.

3.2 Riders racing overseas will be subsidized \$500 providing they met the following conditions:
1/ They purchase an FIM license
2/ They attain a podium in the QLD championships
3/ They submit a report to MQ

3.3 Working in conjunction with the RR sub-committee to get two grants from junior development in order to have enough money for track-hire at Lakeside or a small track, possibly Pimpama for junior coaching.

3.4 The relationship with the RR sub-committee to be further developed and strengthened. Supermoto sub-committee members to join RR sub-committee skype meetings.

3.5 Development of a Road Race track at QMP would be a great step forward for our sport. Supermoto is

currently extremely limited in SEQ and is causing people in the area to lose interest. The facility could be used for driver and bike training which in turn could help to attract funding and grants.

3.6 The Supermoto subcommittee would like to recommend/endorse Aaron Barr's expression of interest to join the subcommittee as the NQ delegate replacement subsequent to Ross Taylor's resignation.
