3.0 Minutes from last meeting (22nd January 2014)

Moved by RT, seconded by JD - Accepted.

4.0 General Business:

4.1 Australian Championships

Andrew Auld has been working hard to get this event running again this year. Highlights will include a legends class, involving some high profile riders. Riders from WA will receive some sponsorship from the event sponsor to travel to this event.

4.2 Queensland Championships

WMSC ran an excellent event for round one of the 2014 Queensland Championships. The event was well attended particularly given the late notice due to the cancellation of the SEQ event. Junior participation was excellent and the level of competition between the juniors was

The committee discussed extending the Queensland Championships to five rounds; SEQ, Gladstone, Whitsunday, Townsville and Mareeba.

This was discussed and agreed that a five-round championship would be detrimental to club rounds as riders would prioritize these rounds over club rounds.

It was agreed that the Queensland Championships would continue in its current format (3 rounds).

Consideration should be given to Mareeba and Townsville alternating North Queensland rounds on an annual basis.

4.3 Number plates

RC suggested making number plate graphics to be presented to the top ten riders from the Queensland Championships. He will be presenting a design for further discussion at next meeting.

4.4 Promotion

Australian Motorcycle News has been running club write-ups. It was questioned whether this might be an ideal way of promoting our local racing clubs. They also recently ran an article on supermoto racing.
