

ASSESSMENTS

To get a competition licence, you need to satisfactorily complete two assessments which are detailed on the following pages.

ASSESSMENT 1 - COACHING AND RIDING TEST

There are 12 coaching modules you need to do with a coach. The details of these are on page 14. Once you have satisfied the coach you are competent for your age, they will sign the space next to each module.

Remember, you can take as long as you need to complete all modules, but the coaching must take at least 5 hours.

It is okay to do the coaching over a number of days or weeks. Your coach will sign each module as you complete it. You might have a number of different coaches, so make sure that the coach that takes you for a module signs your assessment sheet.

ASSESSMENT 2 - THEORY TEST

This short test is to make sure you have understood the important facts in this booklet. You should also read the Manual of Motorcycle Sport if you want more details.

You will also increase your understanding of the rules and race-craft by attending race days. Your coach and other club members can also help you.
