Refresher Seminar

The Motorcycling Queensland (MQ) Refresher Seminar is available to current Level 2, 3 & 4 Officials only.

This course has been introduced (as a one-stop shop) to assist those Officials who already hold multiple high level Officials Licence accreditations, who would otherwise be required to attend a number of Officials Training Seminars to maintain their current levels of accreditation.

Nb: This Course is not appropriate for Officials wanting to upgrade their Officials accreditation. It is to be used to maintain current Levels previously attained.

The Course revolves around a variety of group scenarios on key topics such as: Legal Responsibilities, Risk Management, Communications, Rule enforcements, Protests & Penalties, and much more.

THE COURSE IS FREE OF CHARGE. MQ WILL PROVIDE MORNING TEA, LUNCH AND AFTERNOON TEA.

WE CAN ONLY OFFER A MAXIMUM OF 14 PLACES AT THIS COURSE.

Please complete the section below and then return this form to Motorcycling Queensland asap – at which time we will confirm your place!
